Presents

The Goodbye People

By Herb Gardner

A Comedy of Hopes, Dreams. And Hot Dogs.

Starring our own EVE COHEN!!!

In this endearing comedy, we meet 70-year old Max Silverman who, after a near-fatal heart attack, wants to achieve the impossible: the re-opening of his Coney Island beachfront bar now closed for the past 22 years. Along the way, Max enlists the help of his daughter Nancy who has a new nose but no identity, and Arthur who has no job but watches sunrises. When these three misfits band together, anything is possible!

Tickets: \$23 per person (first 60 paid tickets)

That is all that fit in the theater!!!
